WANT A SHARE OF $60,000 IN CASH PRIZES?

Do you have a great idea that could change the world for the better?
Are you passionate about engineering, entrepreneurship or innovation?

A share of $60,000 in cash prizes plus acceptance in to a comprehensive Entrepreneurship Development Program is available to students who can successfully pitch an innovative engineering idea that addresses global sustainability through the production and use of energy and materials.

Visit www.dowcsei.uq.edu.au/innovation or Google ‘UQ Dow SISCA’ for details on how to enter!
Entries open on 1 August and close 28 September 2018
